Re: Notice of File Closure of Small Mining Activities, Neil Bradshaw, Red #1 and #12 Project, S/001/030, Beaver County, Utah

Dear Mr. Tait:

Thank you for forwarding your letter, which was received by the Division September 26, 1994, regarding the closure of Neil Bradshaw's file for the Red #1 and #12 small mining project, located in Beaver County, Utah. Your agency's designated project number is UTU-72230. Your letter satisfies the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated, 1953.

This project never received final approval from this Division. A deficiency letter was sent to the operator 8/1/94, with no response. Due to the operator notifying you that no work was intended on this project and your action, the Division also retires our file for this project.

Sincerely,

A handwritten signature in cursive script, reading "D. Wayne Hedberg".
